### **Lea County Sheriff's Office**

**The Lea County Sheriff's Office is requesting your HELP! We have been very active in residential, oilfield and business district to deter thefts, but we are asking for your assistance. We would like to remind all citizens to please take a moment and recover or secure any valuable items inside of your homes, vehicles, and businesses. Valuables such as purses, cameras, cash, firearms, and electronic devices are often the target of burglaries, especially when items are in plain view or vehicles, residences or businesses are left unlocked, so we are asking for you to take a moment and secure your valuables along with your vehicles, homes and businesses.**

**The summer months become very active during all times of the day and night due to the warm weather it tends to drive criminal activities into the evening and late night hours, so please remember to report any suspicious activities, drug activities, or criminal information to the Lea County Sheriff's Office at (575) 396-3611 or to the Lea County Crime Stoppers at (575) 393-8005.**

**We want to thank all Citizens of Lea County for their assistance and wish everyone a safe and productive summer.**
